

Producer and Assistant Producer

Rare opportunity to join UK 'Indie of the Year', Folded Wing.

We're quite particular about who comes and nests with us, however.

First up you'll have to be a passionate audiophile, with the skills to produce live radio to BBC Network standards. Secondly you'll have a crazy knowledge of music. Everything from jazz for our Jamie Cullum show, through to electronica for our work with Red Bull Music Academy Radio. And finally, it's all about you. Of course you're multi-skilled. You interview. You edit. You even film. But we run a tight ship here at the wing. So you've got to be super organised, able to work on your own initiative and be flexible.

Ticked the first three boxes? Have something to contribute to the future face of radio? Impress Paul with a covering note, along with your CV, to paul@foldedwing.co.uk clearly stating which role excites you.

Closing Date: Monday 9th July
